

## Curriculum Vitae

Ruth Kutalek

### Address

Unit Ethnomedicine and International Health  
Institute for the History of Medicine  
Centre for Public Health  
Medical University of Vienna  
Währingerstr. 25  
1090 Vienna, Austria  
Tel.: 0043 1 427763436 or 427763401  
Fax: 0043 1 42779634  
[ruth.kutalek@meduniwien.ac.at](mailto:ruth.kutalek@meduniwien.ac.at)  
[ruth.kutalek@univie.ac.at](mailto:ruth.kutalek@univie.ac.at)

### Education

**Ph.D.** Social Anthropology (Ethnomedicine), University of Vienna, 1999

**M.A.** Social Anthropology (Ethnopharmacology), University of Vienna, 1995

### Fields of Specialization

Ethnomedicine/Medical Anthropology, Ethnopharmacology, Migration & Health, Qualitative Field Methods, Museum Anthropology

East Africa, especially Tanzania

### Academic and Professional Posts

**February-June 2006** Fulbright Visiting Scholar at the Harvard Medical School, Department of Social Medicine

**2002-present:** Lecturer at the Department of Social and Cultural Anthropology, University of Vienna

**2003-present:** Assistant Professor at the Medical University of Vienna, Centre for Public Health, Institute for the History of Medicine, Unit Ethnomedicine and International Health.

**1997-2003:** Research Assistant at the University of Vienna, Medical Faculty, Institute for the History of Medicine, Department Ethnomedicine

**1995:** Academic training at the Austrian Society for Ethnomedicine

## Projects

**November 2006 (ongoing)** Access to health care among Turkish migrants in Vienna, supported by the *Hochschuljubiläumstiftung Vienna*.

**July 2006 (ongoing):** Aids project in Tanzania. Supporting people living with Aids, supported by *private donors, action medeor, and the Austrian Ethnomedical Society*

**February-June 2006:** Medical anthropology: approaches in didactics and theory. Harvard Medical School, Department of Social Medicine, funded by *the Fulbright Commission*.

**February 2005:** Biodiversity and sacred forests in Unguja, Zanzibar

**July/August 2004:** Holy forests and traditional strategies of conserving biodiversity in Southwest Tanzania

**December 2003:** Organisation of “Hunting Food – Drinking Wine” International Conference of the Anthropology of Food, XIX Congress of the International Commission for the Anthropology of Food (ICAF) in Poysdorf, Austria, funded by the *Wenner-Gren Foundation, the Vienna International Airport, Lower Austria Culture and private sponsors*

**September 2003:** Ethnomedical paintings from Tanzania. Supported by the *Austrian Ethnomedical Society*.

**February 2003:** Indigenous use of gyrimids and dytiscids (Coleoptera, beetles) in Uganda

**April 2001:** Nutritional anthropology: production of pombe (local beer) in Tanzania

**2000-2002:** Qualitative evaluation of the project: “Therapeutic Touch” among breast cancer patients in the Kaiser Franz Joseph Hospital in Vienna, funded by the *Felix Mandl Fonds, Vienna*

**January-February 2000:** Fieldwork in Tanzania „Reflections on previous research“

**September 1998:** Video documentation: Exorcism in Waliso, Ethiopia; indigenous use of gyrimids and dytiscids (Coleoptera, beetles) in Fitcha, Ethiopia

**October-December 1997:** Ethnomedical fieldwork in Tanzania, granted by the *Federal Ministry of Science, Research and Culture, Austria*

**December 1995-July 1996:** Fieldwork in Southwest Tanzania on traditional medicine of the Bena with a grant of the *Federal Ministry of Science, Research and Culture* and a grant from the *City Council of Vienna*

## **Lectures and Seminars**

510040 “Methods of ethnomedical fieldwork”, Medical University of Vienna, from 1998/99-2005/06

510051 “Ethnopharmacology and ethnobotany”, Medical University of Vienna, from 1999-2005

“Qualitative fieldmethods“ Medical University Innsbruck, within the University course „Community Health“, from 2002 to 2004 (in English)

695215 “Introduction into Ethnomedicine/Medical Anthropology”, University of Vienna, Faculty of Human and Social Sciences (part of the module MAKOTRA) (with Bernhard Hadolt), since 2002

501887 “Medical Pluralism”, within the lecture series “International Health” 2006

501887 “Inequalities and health”, within the lecture series “International Health” 2007

240082 “Inequalities and Health”, SE, 2008 University of Vienna, Faculty of Human and Social Sciences (part of the module MAKOTRA)

### New Curriculum Medicine in Vienna:

560026 “Anthropological and ethnocultural aspects of disease”; (with Armin Prinz, Katharina Sabernig), since 2003

560101 “Special Study Module SSM1” SE Medical Anthropology (with Armin Prinz), since 2003

562873 “Special Study Module SSM2” SE Medical Anthropology (with Armin Prinz), since March 2005

562953 “Special Study Module SSM3” Project study Medical Anthropology to prepare the Master thesis in medicine (with Armin Prinz), since March 2005

561655 “Heart, circulation, blood and vessels – views from cultural history and ethnomedicine”  
(with Armin Prinz), since May 2005

562686 SE “Old age, dying, death in cultural comparison” (with Armin Prinz, Katharina Sabernig, Yvonne Schaffler, Ayse Basibüyük), since April 2005

501823 “Qualitative Methods”, since June 2005

## **Approbated MA Thesis**

Cakan, Nursen: Türkische Migrantinnen und ihr Zugang zum Gesundheitssystem. Medizinische Universität Wien, 2007

Mayer, Eva-Katharina: Soziales Schmerzmanagement bei der Geburt. Eine qualitative Studie mit Müttern und Hebammen in Wien. (Social aspects of pain management at birth. A qualitative study with mothers and midwives in Vienna) Faculty for Human and Social Sciences, University of Vienna, 2005.

Wong, Evelyn: Schamanische Argillit Objekte der Südwest Küste. (Schamanic argillite carvings of the Southwest Coast) Faculty for Human and Social Sciences, University of Vienna, 2005.

Menhart, Helmut: Heilpflanzen der Itzà, San José, Petén, Guatemala (Medicinal plants of the Itzà, San José, Petén, Guatemala). Faculty for Human and Social Sciences, University of Vienna, 2005.

Schaffler, Yvonne: Besessenheit und Heilung in der Dominikanischen Republik. (Possession and healing in the Dominican Republic) Faculty for Human and Social Sciences, University of Vienna, 2004.

## **Media Activities**

„Stellen Sie sich vor, Ihre Patientin ist verhext ...“ (Imagine your patient was bewitched ...) Gabriele Graf reports on a presentation given at the 13th Conference Ethnomedicine, March 6-8, 1998 at the Ludwigs-Maximilians-Universität in Munich, in: Fortschritte der Medizin 22-23 (1998) 63-64

Interview for Austrian Radio in „Von Tag zu Tag“ Radiodoctor, theme: „Ethnomedicine“ on 23.4.2001

Interview for Austrian Radio in „Ganz ich“, theme: „Cannabis“ on 21.11.2000

Interview for the Bavarian Radio on “Fly Agaric”

## **Congresses and Scientific Presentations**

(with Armin Prinz) “Teaching medical anthropology to medical students: a challenge”, 68<sup>th</sup> Annual Meeting of the Society for Applied Anthropology and the Society for Medical Anthropology, March 25-29, 2008, Memphis, USA.

“Ethnoentomology. A neglected theme in ethnopharmacology?” Keynote presentation, 6<sup>th</sup> European Colloquium on Ethnopharmacology & 20. Fachkonferenz Ethnomedizin, 27.-29. October 2007, Leipzig, Germany.

“Die Zukunft der Medical Anthropology” (The future of Medical Anthropology) Tage der Kultur- und Sozialanthropologie, Institut für Kultur- und Sozialanthropologie der Universität Wien, 27. April 2007.

“Ethnomedizin und International Health” (Ethnomedicine and International Health) Workshop im Rahmen der MedSuccess, Medizinische Universität Wien, 21. April 2007.

(with Armin Prinz) “Mensch, Krankheit, Umwelt. Ethnomedizinische und Ethnobotanische Forschungsprojekte in Zentral- und Ostafrika” (Man, illness, environment. Ethnomedical and Ethnobotanical research projects in Central and East-Africa). International Congress: Comparative medical theory. Komparative Medizintheorie, Polish Academy of Sciences, Vienna, November 21-23, 2006.

(with Armin Prinz) „Art brut“ - ethnomedizinische Malerei aus dem Senegal, Tansania und dem Kongo. (Art brut – ethnomedical paintings from Senegal, Tanzania and Democratic Republic of Congo) Ethnologie und Medizin im Dialog: Lebenswelten, Geschichte und die Konstruktion von Anthropologien, 19. Fachkonferenz Ethnomedizin, 27. – 29. Oktober 2006, Heidelberg, Völkerkundemuseum.

“Violence in the name of witchcraft. Gender, age and poverty in Tanzania.” Department of Social Medicine, Harvard Medical School. International Mental Health Seminar, May 17<sup>th</sup>, 2006.

“Sacred groves, traditional institutions and biodiversity in Tanzania” World on the Edge – 66<sup>th</sup> Annual Meeting of the Society for Applied Anthropology, Vancouver, Canada, March 28-April 2, 2006.

“Applied aspects of ethnomedicine”, December 7, 2005, University Bratislava, Slovakia

“Hexereivorstellungen im modernen Tansania: ein afrikanisches Problem?” (Concepts of witchcraft in modern Tanzania: an African problem?) “Tropical Medicine, Public Health and Parasitology” Conference of the Austrian Association of Tropical Medicine and Parasitology and the Centre for Public Health, Medical University of Vienna. November 17-19, 2005.

“Hexerei, Gewalt und Kontrolle im modernen Tansania” (Witchcraft, violence and control in modern Tanzania) 18<sup>th</sup> Conference Ethnomedicine “Threatened Life Worlds – Challenges in Medical Anthropology”, Kassel (Germany), October 21-23, 2005.

“Food, non-food and medicine: overlapping boundaries” “Non-Food as Food”. ICAF (International Commission on the Anthropology of Food) conference in conjunction with Oxford Brookes University, Oxford, June 2-4, 2005.

“Witchcraft and the hand of the healer. Images of distance and proximity.” Face to Face. Connecting Distance and Proximity. 8<sup>th</sup> Biennial EASA (European Association of Social Anthropologists) Conference, Vienna, September 8-12, 2004.

“Indigenous strategies to preserve biodiversity in Africa” Strategies for development of indigenous people. Workshop organized by the IUAES (International Union of Anthropological and Ethnological Sciences), International Commission on Urgent Anthropological Research, Vienna, May 6, 2004.

„Ethnopsychopharmakologie“ (Ethnopsychopharmacology). Psychiatric Hospital in Rankweil, Vorarlberg, Austria, January 19, 2004.

Posterpresentation: „Die Ethnomedizin in der Lehre“, „Ausgewählte Forschungen“, „Sammlung Ethnomedizinischer Objekte“. (Ethnomedicine in the New Curriculum; Selected Research; Collection Ethnomedicine), Graz, Austria, January 17-18, 2004

“Traditionelle Heilkundige in Tansania” (Traditional healers in Tanzania), SADOCC Documentation and Cooperation Centre Southern Africa, Vienna, April 24, 2003

“Medical Anthropology”. Presentation at the Mbarara University, Medical Faculty, Uganda, February 21, 2003.

“Die Bedeutung des Gastrointestinaltraktes im Schamanismus” (The gastrointestinal tract in shamanism), Diversity of healing. Symposium of the history and application of alternative healing in medicine. Vienna, Institute for the History of Medicine, January 17-18, 2003.

”Viennese Ethnomedicine Newsletter. Ethnomedizin auf der Suche nach Medien“ (Viennese Ethnomedicine Newsletter. Ethnomedicine in the search for new media), 15th Conference Ethnomedicine, Münster, Germany, November 22-24, 2002.

“Ethnodentistry“, International Conference of the FDI World Dental Federation, Congress Centre, Vienna, October 4, 2002.

„Breast cancer patients: Qualitative ethnomedical study“, Project presentation, October 1 2002, Institute for the History of Medicine, Vienna.

Ethnomedizin – neue Erkenntnisse aus Ostafrika. (Ethnomedicine – new findings from East Africa), Public Health Days in the General Hospital in Vienna, organised by the Austrian Medical Student’s Association, January 16-17, 2002.

“Traditionelle Verwendung von Kava-Kava”. (Traditional use of Kava), Austrian Society for Phytotherapy, November 5, 2001, Vienna

“Symbols of witchcraft in Ting-Tinga paintings and in ethnographic reality”, Working Images. Lisbon 20-23 September 2001.

“Consumption of beer in Tanzania”, Fluid Bread: Images and Usages of Beer in Cross-cultural Perspective. 16th Conference on the International Commission for the Anthropology of Food (ICAF) May 25-29, 2001 in Seewiesen, Germany.

“Psychotherapeutic aspects of traditional healing rituals in Tanzania” Symposium of the Transcultural Psychiatry Section of the World Psychiatric Association (WPA), Andorra, May 23-26, 2001.

„Qualitative approaches in ethnopharmacology“, Ethnopharmacology 2000: Challenges for the New Millennium. Zürich, Switzerland, September 4-7, 2000.

CV Ruth Kutalek

“Exorzismus in einem Orthodoxen Kloster in Waliso, Äthiopien”. (Exorcism in an orthodox monastery in Ethiopia), Video presentation. Worker’s College. Concepts, Diagnosis and Therapy in Cultural Comparison. Vienna December 17, 1999.

“Therapeutische Verfahren bei zwei traditionellen Heilern Tansanias” (Traditional therapy in Tanzania). Worker’s College. Concepts, Diagnosis and Therapy in Cultural Comparison. Vienna December 17, 1999.

„Interdisciplinarity: Case studies of misunderstanding between anthropologists, ethnopharmacologists and indigenous people“, International Symposium Ethnobotany. Medicinal Plants, Folk Traditions, History, Pharmacology. San Jose, Costa Rica, September 14-18, 1999.

"Steven Lihonama Lutumo - traditioneller Heilkundiger der Bena Südwest-Tansanias" (Steven Lihonama Lutumo - traditional healer of the Bena in Southwest Tanzania), Austrian Ethnomedical Society, Vienna, December 9, 1998.

“Traditionelle Heiltherapien bei den Bena SW-Tansanias”. (Traditional therapy among the Bena of Southwest Tanzania). Ethnotherapies. Traditional Concepts in Cultural Comparison. 13<sup>th</sup> International Conference Ethnomedicine, Ludwig Maximilians University, Munich, Germany, March 6-8, 1998.

## **Consultancies and Assignments**

2006 Member of the Editorial Board of Curare, Journal of Ethnomedicine and Transcultural Psychiatry

2005, 2006 Reviewer – Journal of Ethnobiology and Ethnomedicine

2003, 2002 Consultant for the Austrian Federal Ministry of Education, Science and Culture: evaluation of postgraduate candidates

2001 Consultant for the new module „Makotra“ (Medical Anthropology/Ethnomedicine) of the Department of Social and Cultural Anthropology, University of Vienna

Since 2001 Board member of the International Commission for the Anthropology of Food, European Section

Since 1999 Board member of the Austrian Ethnomedical Society

## **Publications**

### **Books, Editorship**

2007 Schröder, Ekkehard; Kutalek, Ruth (Hrsg.): Kulturelle Dimensionen in der Gesundheitssystemforschung (The quest for culture in health system research). Curare – Zeitschrift für Ethnomedizin und transkulturelle Psychiatrie, VWB Verlag Berlin, Vol. 30, 1.
