

Program

# 3<sup>rd</sup> AOCMF International Symposium on Orthognathic Surgery

May 17–19, 2012    Vienna, Austria

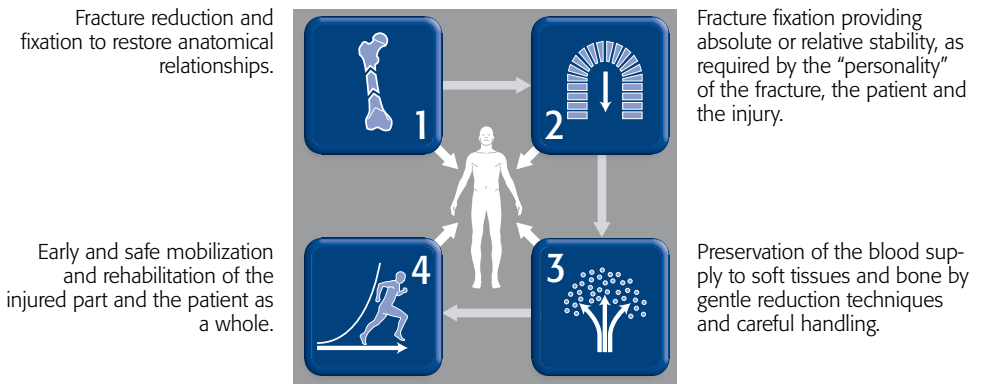

Symposium on the occasion of Rolf Ewers retirement

## Mission

Our mission is to continuously set standards in postgraduate medical education and to foster the sharing of medically guided expertise in a worldwide network of healthcare professionals to improve patient care in trauma or disorders of the musculoskeletal system.

## Welcome

Dear Colleagues,

It is our pleasure to announce our 3<sup>rd</sup> International Symposium on Orthognathic Surgery under AO patronage, held in Vienna, May 17–19, 2012.

As our last symposium, held in May 2010, was a big success with a lot of positive echo around the globe, we were encouraged to organize another similar scientific meeting.

This meeting will be dedicated to Prof. Ewers and his work at the University of Vienna, as he will retire in fall 2012. Our aim again was to gather a group of experts and interested surgeons in the field of orthognathic surgery and to exchange experiences in an enthusiastic discussion. We have again chosen a pleasant environment, the Billroth House, where discussions between famous doctors of the Viennese School of Medicine were tradition, centuries ago.

Luckily, we can offer a list of well known speakers in the field of Oral and Maxillofacial Surgery of our century, again. The scope of oral presentations is wide, still, this time we will focus on complication management and soft tissue predictions. We hope that no questions will be left open.

As a special highlight we are planning to present a live surgery, a chin wing surgery performed by Albino Triaca from Zurich. You will be able to observe the surgery on a screen and there will be a live conference discussion.

At the end of the symposium we will have a panel where we will design treatment plans in high sophisticated cases, taking the opinions of different experts in consideration.

Besides the intense scientific exchange of thoughts you will be able to enjoy the Viennese way of life at a „Heurigen Evening“ together or if you want, experience one of the beautiful concerts, theatres or the opera in Vienna. And this year there will be a special highlight in Vienna, the famous Life-ball with a huge open air spectacle in front of the city hall. Just combine work with fun on this prolonged weekend, and Vienna is the place!

We are waiting for you!

*Gabriele Millesi*

Gabriele Millesi  
MD, DMD

## Goal of symposium

Come together of experienced surgeons in the field of orthognathic surgery and world known experts.

Younger colleagues in training should also profit from the exchange of know how.

## Description of symposium

Experienced surgeons analyse special chapters in orthognathic surgery, practically and scientifically oriented.

Topcis: esthetic and technical aspects in orthognathic surgery

The topics are discussed amongst the specialists and the audience.

## Symposium objectives

By completing this symposium the participants will:

- gain not only theoretical know-how about essential topics in orthognathic surgery but they can
- take advantage of an exchange of opinions of experienced surgeons and a lot of practical advices
- design treatment plans in difficult cases in the final panel session

## Target audience

- Maxillofacial surgeons
- Orthodontists
- Surgeons of related disciplines

## Chairpersons

**Ewers Rolf**, MD, DMD, PhD  
Head of Dep. for Cranio-Maxillofacial  
& Oral Surgery,  
Medical University of Vienna (MUW)  
Vienna, Austria

**Millesi Gabriele**, MD, DMD  
Assistant Professor Dep. for Cranio-Maxillofacial  
& Oral Surgery  
Medical University of Vienna (MUW)  
Vienna, Austria

## Faculty

Mast Gerson, MD, DMD  
Klinik und Poliklinik für Mund-, Kiefer- und Gesichtschirurgie, Munich, Germany

Mommaerts Maurice Y., MD, DMD, PhD  
General Hospital St.Jan, Brugge, Belgium

Obwegeser Joachim, MD, DMD, PhD  
Department of Maxillofacial Surgery, Universitätsspital Zürich, Switzerland

Posnick Jeffrey, DMD, MD, F.R.C.S.(C), F.A.C.S.  
Posnick Center for Facial Plastic Surgery, Chevy Chase, USA

Reynecke Johan P., MD, DMD, PhD  
Centre for Orthognathic Surgery and Implantology, Sunninghill Hospital, University of the Witwatersrand  
Johannesburg, South Africa

Sugar Adrian, FDSRCS (Eng, Ed) FDSRCPs MDhc  
Morrison Hospital and Swansea University Medical School, ABM University Health Board, Swansea, UK

Sinko Klaus, MD, DMD  
Department for Cranio-Maxillofacial & Oral Surgery Medical University of Vienna (MUW), Vienna, Austria

Triaca Albino, MD, DMD  
Klinik Pyramide am See, Zurich, Switzerland

Tuinzing Bram, DMD, PhD  
Department of Oral and Maxillofacial Surgery, Amsterdam, Netherlands

Wangerin Konrad, MD, DMD, PhD, Dr.h.c.  
Klinik für Gesichts-, Kiefer- und Wiederherstellungschirurgie, Paracelsus-Krankenhaus Ruit,  
Akademisches Lehrkrankenhaus der Universität Tübingen, Ostfildern, Germany

Watzke Ingeborg M., MD, DMD, PhD  
Department of Oral and Maxillofacial Surgery, Donauspital der Stadt Wien, Vienna, Austria

Winkler Marianne, MD  
Department for Anesthesiology and Intensive Care, Medical University of Vienna (MUW) Vienna, Austria

Zeilhofer Florian, MD, DMD, PhD  
Department for Cranio-Maxillofacial and Oral Surgery, University Basel, Switzerland

## DAY 1 Thursday, May 17, 2012

TIME	AGENDA ITEM	WHO
11:30–12:30	Registration	
12:30–12:40	Welcome & Opening	
12:40–13:40	Nasal airway considerations in the evaluation and treatment of dentofacial deformities	Jeffrey Posnick
13:40–13:45	Discussion	
13:45–14:15	Cyclicity in orthognathic surgery, the reinventing of old methods	Bram Tuinzing
14:15–14:20	Discussion	
14:20–15:00	How flexible are soft tissues in the face?	Albino Triaca
15:00–15:05	Discussion	
15:05–15:45	Microlipofilling of the face	Maurice Mommaerts
15:45–16:00	Discussion	
16:00–16:30	COFFEE BREAK	
16:30–17:10	Functional impact on pre- and postoperative outcome in orthognathic surgery	Konrad Wangerin
17:10–17:15	Discussion	
17:15–17:35	Esthetic and assignment of personality treats before and after orthognathic surgery	Klaus Sinko
17:35–17:40	Discussion & End of Day 1	

## DAY 2 Friday, May 18, 2012

TIME	AGENDA ITEM	WHO
09:00–09:40	Planning considerations of soft tissue changes in the lip and nose in maxillary procedures	Ingeborg Watzke
09:40–09:45	Discussion	
09:45–10:15	Considerations of soft tissue changes in maxillary procedures in 3-dimensional planning	Florian Zeilhofer
10:15–10:20	Discussion	
10:20–10:45	Frustrations in orthognathic surgery	Bram Tuinzing
10:45–10:50	Discussion	
10:50–11:20	COFFEE BREAK	
11:20–12:05	How to ruin the nose in orthognathic surgery and how to prevent it	Johan Reyneke
12:05–12:10	Discussion	
12:10–12:50	Indications for segmental procedures in the mandible	Joachim Obwegeser
12:50–12:55	Discussion	
12:55–13:55	LUNCH BREAK	
13:55–15:05	Live Surgery: Chin wing	Albino Triaca
15:05–15:10	Discussion	
15:10–15:50	Treatment modalities of the anterior mandibular complex anomalies	Wangerin/Rohuma
15:50–15:55	Discussion	
15:55–16:25	COFFEE BREAK	
16:25–17:10	Hemifacial microsomia: Management of the child and the adult	Adrian Sugar
17:10–17:15	Discussion	
17:15–17:45	Blood loss and transfusion requirements in orthognathic surgery from an anaesthesiological point of view	Marianne Winkler
	Viennese experience	Gabriele Millesi
	The need for blood transfusion in orthognathic surgery	Adrian Sugar
17:45–17:50	Discussion & End of Day 2	
19:30	Bus shuttle to Course Dinner - Heurigen Evening	

## DAY 3 Saturday, May 19, 2012

TIME	AGENDA ITEM	WHO
08:30–09:10	Management of complications after BSSO	Gerson Mast
09:10–09:15	Discussion	
09:15–09:55	Complications in correcting mandibular asymmetries	Johan Reyneke
09:55–10:00	Discussion	
10:00–10:30	COFFEE BREAK	
10:30–11:10	BSSO – longterm results – alternatives	Albino Triaca
11:10–11:20	Discussion and discussion live surgery	
11:20–12:00	Paranasal, infraorbital and malar hyoplasia addressed during Le Fort I advancement surgery	Maurice Mommaerts
12:00–12:05	Discussion	
12:05–13:20	Panel Session & Discussion of different treatment plans of 4 patients	
~ 13:20	End of Symposium	

## Organization

**Gabriele Millesi**, MD, DMD

## Registration

Please register online at

**<http://VIENNA1205.aocmf.org>**

### Symposium fee

Payment before May 01, 2012: € 486,-  
Payment after May 01, 2012: € 540,-

Covers admission, coffee breaks, lunch and dinner at  
the Heurigen Evening, on Friday, May 18, 2012.

Please pay in Euro before May 10, 2012 and  
state your name on every remittance slip.

Bank charges must be paid by the participant.  
After receipt of payment you will receive  
a confirmation of your registration.

### Course account

Name of Account: „AO Kurssekretariat“  
Bank Austria/Creditanstalt Salzburg  
Sort code 12000  
Account No. 00951616202  
Swift BKAUATWW  
IBAN AT78 1200 0009 5161 6202  
Address of Bank: Bank Austria/Creditanstalt,  
A-5020 Salzburg, Rainerstrasse 2

Payment of registration fee by credit card will  
not be accepted!

### Cancellation

No refund for cancellations within 10 days before  
event.

## Information

### **Accreditation**

The 3<sup>rd</sup> AOCMF International Symposium on Orthognathic Surgery will get accreditation from the European Accreditation Council for Continuing Medical Education (EACCME) to provide CME activity for medical specialists.

The EACCME is an institution of the European Union of Medical Specialists (UEMS).

[www.uems.net](http://www.uems.net)

### **Evaluation guidelines**

All AOCMF courses apply the same evaluation process, either ARS (audience response system) or paper and pencil questionnaires. This will help AOCMF to ensure that we continue to meet your training needs.

### **Intellectual property**

Course materials, presentations and case studies are the intellectual property of the course faculty. All rights are reserved.

Recording, photographing or copying of lectures, practical exercises, case discussions or any course materials is absolutely forbidden.

### **Security**

Wearing a name tag is compulsory during lectures, workshops and group discussions.

### **No insurance**

The course organization does not take out insurance to cover any individual against accidents, thefts or other risks.

### **Mobile phone use**

Mobile phone use is not allowed in the lecture halls and in other rooms during educational activities. Please be considerate of others by turning off your mobile phone.

### **Course language**

English

### **Dress code**

Casual

## Symposium venue

### Billrothhaus

Gesellschaft der Ärzte in Wien  
 Frankgasse 8  
 1090 Vienna

## Hotel information

A limited number of rooms has been reserved at the hotels stated below. For reservation please contact the hotel directly. Hotel booking code: "AOCMF Symposium"

Improving patient care worldwide

# AOCMF membership

Participation in the AOCMF community guarantees life-long learning opportunities and continuous professional development

#### AOCMF Videos

Make use of our multimedia teaching and learning materials

#### Online access to scientific journals

Stay up to date on the latest practices and advancements in the field of craniomaxillofacial surgery

#### Online case discussions

Participate in the interactive exchange of professional opinions

#### AOCMF Journal

Craniomaxillofacial Trauma and Reconstruction publishes primary and review articles covering all aspects of surgery of the head, face, and jaw

Available free of charge to all AOCMF members

#### AO Publications

Take advantage of special discounts and free offers for AOCMF members

#### AO Surgery Reference

See surgical procedures explained step by step

**AOCMF portal**  
Your window to the AO world  
Witness the global reach of our CMF community  
**www.aocmf.org**

#### Precondition

The prerequisite for becoming a part of the AOCMF membership community is attendance at one certified AOCMF education event

#### Membership types

AOCMF e-Member (€30 / \$35)

AOCMF Member (€50 / \$65)  
e-Member access plus printed copies of Full online access to all member benefits various AO publications
