

# ATP-Binding Cassette (ABC) Proteins: From Genetic Disease to Multidrug Resistance

ABC2003 - The 4<sup>th</sup> FEBS Advanced Lecture Course, March 1-8, 2003 • Gosau, Austria

## Organizer

Karl Kuchler, University & BioCenter of Vienna (AUT)

## Co-Organizers

Roger Deeley, Queen's University (CAN)

Kazu Ueda, Kyoto University (JPN)

## Symposium 1

Biogenesis, Trafficking & Processing of ABC Proteins

## Symposium 2

Modulation & Regulation of ABC Protein Function

## Symposium 3

ABC Proteins in Multidrug Resistance & Pharmacology

## Symposium 4

ABC Genes in Physiology & Pathology of Disease

## Symposium 5

Catalytic Mechanisms & Structure of ABC Proteins

## Scientific Advisory Board
