

10th EFIS-EJI Tatra Immunology Conference Molecular Determinants of T Cell Immunity

Štrbské Pleso (Tatra Mountains), Slovakia
June 9 - 13, 2012

Organized by Czech, Slovak, Austrian and British Societies of Immunology under the auspices of European Federation of Immunological Societies. R. Špíšek, V. Hořejší (Prague), F.Nimmerjahn (Erlangen), H. Stockinger (Vienna), A. Hayday (London), J. Rovenský and S. Blažičková (Piešťany)

The 10th EFIS-EJI Tatra Immunology Conference will include lectures by invited speakers, poster presentations by other participants and extended midday recreational activities supporting informal discussions. The aim of the organizers is to have the conference in a style similar to the Gordon Conferences.
