Dear Colleagues,

After the great success of the 1st Vienna Laryngotracheal Symposium in 2014 we are happy to announce a 2nd meeting to be held on 14-15 April 2016.

Whereas the first congress has covered more general aspects of laryngotracheal interventions, the second meeting aims to deal with more detailed and specific topics.

• Special laryngotracheal resection and reconstruction techniques
• Management of pediatric patients
• Airway replacement
• Experiences from international centers
• Role of endoscopic techniques
• Resection for malignancies
• Expert panels, case discussions, video and poster presentations

We would like to welcome you in Vienna! Enjoy the spirit of the city and obtain a very special information.

Walter Klepetko
Prof of Thoracic Surgery
Wolfgang Bigenzahn
Prof of Phoniatrics

For registration please visit:
www.meduniwien.ac.at/laryngotrachealvienna

Participation fee: € 400,-
Reduced congress fee for early registration (before 1st March 2016) € 300,-
Phone: +43 (0)1 40400 – 56440
Fax: +43 (0)1 40400 – 51000
Email: laryngotrachealvienna@meduniwien.ac.at

Thursday, 14th April 2016
09.00
Welcome remarks
W. Klepetko, W. Bigenzahn

09.05 - 9.45 a.m.
Session I - Evaluation of the patient with laryngotracheal stenosis
Chairs: W. Gstöttner, R. Gilbert
Videoendoscopic evaluation as a diagnostic tool for laryngeal stridor
W. Bigenzahn, Vienna
Electromyography in vocal cord paresis
B. Schneider-Stickler, Vienna
Discussion

9.45 - 11.15 a.m.
Session II - Laryngotracheal surgery in adults
Chairs: C. Piazza, K. Hoetzenecker
Established techniques in adults
T. Waddell, Toronto
Laryngotracheal reconstruction with staged stenting
P. Cardoso, Sao Paulo
Single-stage laryngotracheal reconstruction
K. Hoetzenecker, Vienna
Special technical aspects: lateral fixation, size adaption etc.
W. Klepetko, Vienna

Carl Reiner GmbH is hosting a satellite lunch symposium during the congress covering the aspect of jet ventilation in the field of laryngotracheal surgery. Participation is free. Due to the limited number of places preregistration is required on the congress webpage (www.meduniwien.ac.at/laryngotrachealvienna).
Panel discussion: How would you treat this patient? 25 min.

Coffee break

11.45 a.m. - 1.10 p.m.

Session III - Endoscopic interventions for laryngotracheal problems
Chairs: C. Sittel, S. Mussot

Endoluminal stenting
L. Freitag, Zürich 30 min.

Experience with resorbable stents in pediatric patients
M. Elliott, London 10 min.

Treatment of glottic stenosis
G. Friedrich, Graz 15 min.

Panel discussion: Where is the place for stenting/laser? 30 min.

Endoluminal stenting
L. Freitag, Zürich

Experience with resorbable stents in pediatric patients
M. Elliott, London

Treatment of glottic stenosis
G. Friedrich, Graz

Panel discussion: Where is the place for stenting/laser?
