

## Stefan Boehm

### Personal Data

---

Date of Birth: March 14, 1963  
Place of Birth: Vienna, Austria  
Nationality: Austrian

### Education

---

1973 – 1981 secondary school  
1981 – 1987 studies of Human Medicine, University of Vienna  
1988 – 1995 residency in Pharmacology and Toxicology

### Career History

---

1987 - 1989 military service and clinical education at the Army Hospital in Vienna  
1989 short-term visiting fellow, Columbia Univ, College of Physicians and Surgeons  
1989 – 1995 university assistant, Institute of Neuropharmacology, University of Vienna  
1995 – 1997 visiting research scientist, Max-Planck-Institute for Brain Research, Frankfurt/Main  
1997 – 1999 lecturer, Institute of Neuropharmacology, University of Vienna  
1999 – 2006 associate Professor, Dept. of Pharmacology, MUV, Head of Neurochemistry  
2006-2007 full Professor of Neuropharmacology, Head, Inst. of Pharmacology, Med. Univ. Graz  
2007 – full Professor of Neuropharmacology, MUV  
2010 – Head, Department of Neurophysiology and Neuropharmacology

### Awards

---

1995 Humboldt-Fellowship  
1995 Erwin-Schrödinger-Fellowship  
1996 Award of the HOECHST-Foundation for Biomedical Research  
1997 Science Award of Lower Austria  
1999 Otto-Loewi-Award of the Austrian Neuroscience Association

### Publications

---

63 original publications; 16 reviews/books; one textbook; >40 invited lectures

### Externally funded national and international projects (last 5 years)

| Funding organisation | Number of the project | Year of funding | Research topic of the project                       | Amount in KEuro |
|----------------------|-----------------------|-----------------|---|-----------------|
| MUV                  | UE10207001            | 2009            | CCHD  | 120             |
| FWF                  | W1205                 | 2009            | CCHD  | 120             |
| FWF                  | P23658                | 2011            | phosphoinositides and neurotransmitter transporters | 400             |
| FWF                  | P23670                | 2011            | Phosphorylation of Kv7 channels                     | 298             |
