

Georg Hutterer, MD

Medical University of Graz; Graz, Austria

Georg C. Hutterer, born in 1973 in Graz, Austria, performed his residency at the Department of Urology at the Medical University of Graz from 2004 to 2010 under the Chairmanship of Univ.-Prof. Dr. Karl Pummer. Hutterer undertook a one year research fellowship at the Cancer Prognostics and Health Outcomes Unit, University of Montreal Health Center (CHUM), Director, Pierre I. Karakiewicz, MD, FRCSC, Montreal, QC, Canada, in 2006/2007.

Hutterer's research focuses on urologic oncology (biomarkers, early detection, treatment, translational and outcomes research) regarding particularly renal cell-, prostate- and urothelial carcinoma. Hutterer gained his Habilitation (*Venia docendi*) in 2010 and became Associate Professor of Urology in 2015. He is currently working as senior staff member at the Department of Urology of the Medical University of Graz. Scientific awards include 'Scientist of the year 2008 of the Medical University of Graz' and the 'Josef Krainer-Würdigungspreis 2013.' Hutterer is a member of various academic societies and a journal and grant reviewer for several national and international organizations in the field of urologic oncology. He published 97 peer-reviewed research papers (h-index: 28) to date.
