

Learning objectives – mandatory

The fulfilled and assessed learning objectives must be marked by the student with an x.

The assessment can be performed by the mentor in three ways: direct observation of the student during performance of a clinical activity (see page ii), CPY task (see page P4-P6), Mini-CEX/DOPS (see page v-vi). At the end of completion of the CPY tertiäl in the respective department, fulfilment of the learning objectives must be signed off by the mentor.

Competence		Objectives completed
Implementation and design of a scientific or didactic project by:		
1.	Formulation of a verifiable scientific or current didactic concept	☐
