Thomas Wekerle
Department of Surgery

Dear Colleagues!

Therapeutic donor management, transplant surgery in the obese patient, ex vivo lung perfusion and trends in heart transplantation are the timely topics of this year's Transplant Forum Symposium to which we cordially invite you.

We are fortunate that four distinguished international speakers have agreed to join us and hope that their presentations will spark your interest and will stimulate lively discussions.

We look forward to seeing you on 7th March!

Thomas Wekerle
Coordinator Transplant Forum

Steering Committee

Christoph Aufricht, Gabriela Berlakovich, Georg Böhmig,
Konrad Hötzenecker, Rainer Oberbauer, Nina Pilat,
Werner Rabitsch, Andreas Zuckermann

Senior Advisors
