DEPARTMENT OF NEUROSURGERY

MEDICAL UNIVERSITY
OF VIENNA

Vienna
General Hospital

Dear colleagues!

It is an honor and privilege to welcome you to the guest lecture of Ingmar Blümcke about „Clinical, molecular and digital Neuropathology for Epilepsy Surgery“.

Ingmar Blümcke is full Professor and Chair of the Neuropathological Institute, Friedrich Alexander University Erlangen-Nuremberg. He is the worldwide leading expert of neuropathology for epilepsy neuropathological specimen. He has developed several new classification systems for the diagnosis of epilepsy associated pathology and is ILAE chair of the educational commission.

I am looking forward to welcoming you to this lecture at the Medical University of Vienna/Vienna General Hospital!

Karl Rössler
Head of the Department of Neurosurgery,
