

Come and celebrate

the 10th anniversary with us, with the initiators and previous speakers of the research cluster and a Keynote Lecture by Hedvig Hricak, member of the Medical University of Vienna Scientific Advisory Board.

Look back with us to the beginnings, from initial discussions, first working meetings, the first establishment of nodes, a network structure to the present day with seven nodes and around twohundred MIC members!

Some future Potentials in Medical Imaging

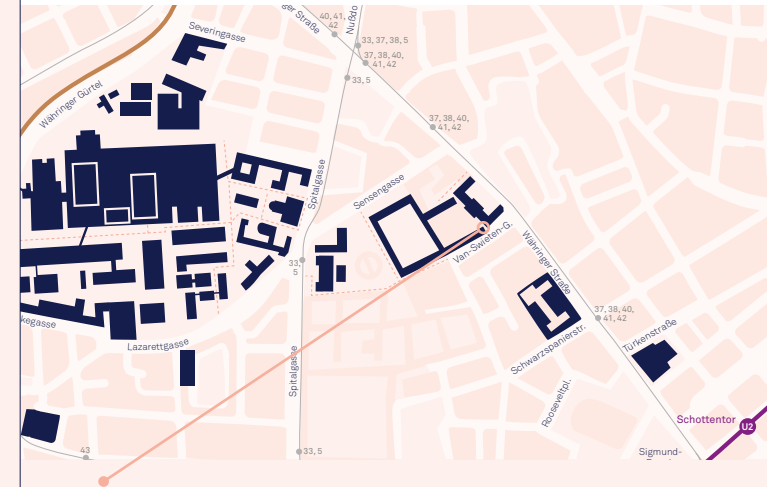

Medical Imaging Cluster – 10 Year Celebration

Thursday, 15th June 2023, 4.00 – 8.00 pm
Van Swieten Saal, Medical University of Vienna
Van-Swieten-Gasse 1a, 1090 Vienna

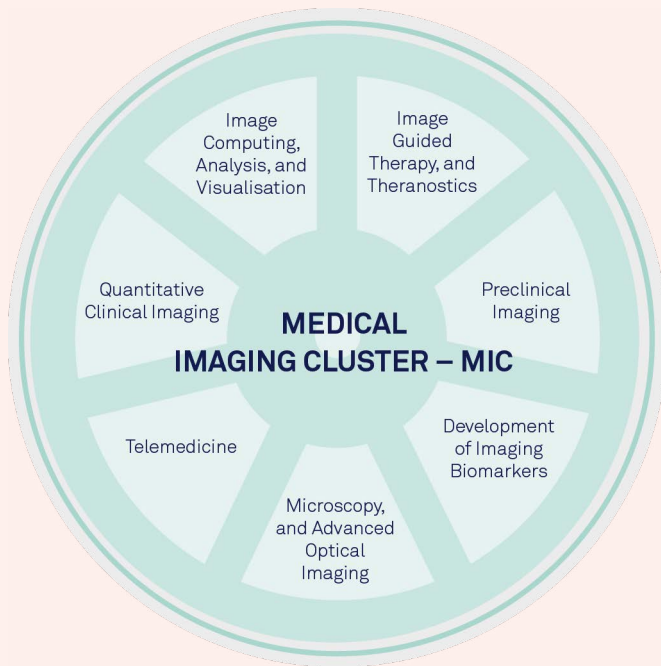

www.meduniwien.ac.at/mic-10years

Programme

4.00 pm

Musical Introduction

4.05 pm

Opening of the MIC 10th anniversary celebration

Marcus Hacker, Speaker of the Medical Imaging Cluster, Department of Biomedical Imaging and Image-guided Therapy, MedUni Vienna

From 4.15 pm

Musical inspiration

4.20 pm

Announcement keynote speaker

Christian Herold, Medical Imaging Cluster, Department of Biomedical Imaging and Image-guided Therapy, MedUni Vienna

4.25 pm

Keynote lecture

Hedvig Hricak, Advisory Board, MedUni Vienna, Memorial Sloan Kettering Cancer Center, New York

5.00 pm

Musical intermezzo

5.10 pm

Appreciation and retrospective: facts and figures, stories and anecdotes

Christian Herold, Department of Biomedical Imaging and Image-guided Therapy, MedUni Vienna

Thomas Helbich, Department of Biomedical Imaging and Image-guided Therapy, MedUni Vienna

Wolfgang Birkfellner, Center for Medical Physics and Biomedical Engineering, MedUni Vienna

Wolfgang Weninger, Center for Anatomy and Cell Biology, MedUni Vienna

Moderation

Marcus Hacker, Medical Imaging Cluster, Department of Biomedical Imaging and Image-guided Therapy, MedUni Vienna

From 5.50 pm

Musical transition

From 6.00 pm

Hot finger food and beverages

Musical accompaniment

Annette Maurer and the Wiener Lerchenquartett
