

Annual Meeting of the Cluster for Cardiovascular Medicine

22.11.2023

Van Swieten Lecture Hall

Van Swieten Gasse 1a

1090 Vienna

09:00	09:10	Irene Lang (clinical speaker of the CVC) Dept. of Internal Medicine II, Div. of Cardiology, Medical University Vienna, AT and Christoph Binder (basic research speaker of the CVC) Department of Laboratory Medicine, Medical University Vienna, AT	Welcome Note
09:10	09:50	Claudia Monaco University of Oxford, UK	„Discovery of myeloid cell subsets in atherosclerosis”
09:50	10:30	Short Talks to be announced	
09:50	10:00		
10:00	10:10		
10:10	10:20		
10:20	10:30		
10:30	11:00	Coffee break	
11:00	11:40	Lars Maegdefessel TUM, DE	„Non-coding RNAs in vascular cell therapy”
11:40	12:20	Christophe Dubois Aix Marseille University, FR	„Involvement of Neutrophils and Nets in thrombus formation”
12:20	13:20	Lunch	
13:20	14:00	Susanne Sattler Medical University Graz, AT	„The adaptive immune system and autoimmune mechanisms in ischaemic heart disease”
14:00	14:40	Martin Wilkins Imperial College London, UK	„Using imatinib to probe the utility of new tools for translational medicine in pulmonary arterial hypertension”
14:40	14:55	Henrike Arfsten Dept. of Internal Medicine II, Div. of Cardiology, Medical University Vienna, AT	„Modern Treatments of HFrEF”
14:55	15:25	Short Talks to be announced	
14:55	15:05		
15:05	15:15		

15:15 15:25

15:25 15:55

Coffee Break

15:55 16:40 **Johannes Holfeld** „Pharmacological intervention in innate immunity to prevent
Medical University Innsbruck, AT calcific aortic valve disease”

16:40 17:15 **Poster session**

17:15 17:24 **Collaborative Research Grants 2023 Ceremony and project presentation**

17:15 17:23 **Taras Afonyushkin** „Plaque-derived extracellular vesicles miRNA signature as identifier
of stroke risk”
Department of Laboratory Medicine, Medical University Vienna, AT

Anna Sotir

Division of Vascular Surgery, Department of General Surgery, Medical University Vienna, AT

17:23 17:31 **Laura Brunthaler** „Neutrophil-platelet interplay in cardiac remodeling of obesity”
Institute of Vascular Biology and Thrombosis Research, Medical University Vienna, AT

Anna Ondracek

Dept. of Internal Medicine II, Div. of Cardiology, Medical University Vienna, AT

17:31 17:39 **Florentina Porsch** „Molecular characterisation of B cell responses in patients with
myocardial Infarction”
Department of Laboratory Medicine, Medical University Vienna, AT

Johanna Rinderer

Dept. of Internal Medicine II, Div. of Cardiology, Medical University Vienna, AT

17:39 17:50 **AVBO-Prize** to be announced

17:50 18:00 **Irene Lang** (clinical speaker of the CVC)
Dept. of Internal Medicine II, Div. of Cardiology,
Medical University Vienna, AT

**CVC-Publication Award
Best Poster/ Best Talk Award Ceremony**

and Closing words
