

Announcement of a Professorship Position for Orthopedics at the Medical University of Vienna

The Medical University of Vienna (MedUni Vienna) with more than 6.500 employees and about 8.500 students is one of the largest academic medical schools in the EU area. At the **Department of Orthopedics and Trauma-Surgery** of the MedUni Vienna and the University Hospital Vienna a **Full Professorship Position for Orthopedics** according to §98 university act 2002 is available, starting October 1st 2025. We offer permanent employment according to the Austrian Employees act. The Department of Orthopedics and Trauma-Surgery is currently divided into two clinical divisions: (i) Division of Orthopedics, (ii) Division of Trauma-Surgery. The successful applicant will be head of the Division of Orthopedics.

Employment requirements:

- Graduation in medicine with a subject specific doctorate or an equivalent foreign university degree
- Qualification as a specialist for orthopedics and traumatology or equivalent domestic and foreign authority
- Outstanding scientific qualification in the field of orthopedics and traumatology
- Profound clinical qualification in the field of orthopedics and traumatology, in particular complex orthopedic revision and reconstructive surgery
- Successful and continuous acquisition of competitive third-party funds
- Leadership and management experience, including gender and diversity competence, and with qualification to manage a hospital department of the highest level of care
- Experience in interdisciplinary cooperation in clinic and research
- Educational and didactic qualification (evaluation results regarding teaching activities)
- International work experience

Expected from the applicant:

- Interdisciplinary and multidisciplinary research in terms of promoting the research clusters described in the University`s development plan and participation in the Comprehensive Center for Musculoskeletal Disorders
- Close cooperation with clinic/division of the Comprehensive Cancer Center (CCC), Comprehensive Center for Perioperative Medicine (CCPM), Comprehensive Center for Infection Medicine (CCIM) and Comprehensive Cancer for Pediatrics (CCP)
- Representation of the subject area in the medical curriculum aimed at integrative and practice oriented training
- Competence in employee leadership and motivation
- Continuation and optimization of the clinical services and procedures in cooperation with other disciplines and clinics as well as the management of the University Hospital Vienna
- Commitment to quality orientation and willingness to continuously enhance personal management skills

The MedUni Vienna aims to increase the proportion of women in executive positions and therefore expressly encourages qualified female candidates to apply. In case of equivalent qualifications, preference will be given to female applicants.

Please submit your application in English to the Rector of the Medical University of Vienna, Spitalgasse 23, 1090 Vienna (faculty-recruiting@meduniwien.ac.at) by **October 31st 2024** at the latest. Applications should include (i) curriculum vitae, (ii) list of publications, (iii) summary of research and teaching activities, (iv) outline of future research plans, (v) presentation of experiences in management and leadership tasks and performance planning, (vi) list of ten most important publications according to the applicant (original scientific papers or reviews related to this call) with the possibility to download. Applicants are requested to complete the form (FactSheet) posted online and to attach it to their application: https://www.meduniwien.ac.at/Factsheet/Professuren_98_und_99_1
