

Announcement of a Professorship Position for Neurophysiology at the Medical University of Vienna

The Medical University of Vienna (MedUni Vienna) with more than 6.000 employees and about 8.000 students is one of the largest academic medical schools in the EU area. At the **Center for Brain Research** of the MedUni Vienna a **Full Professorship Position for Neurophysiology** according to §98 university act 2002 is available, starting as soon as possible. We offer permanent employment according to the Austrian Employees act. The successful applicant will be head of the Division of Neurophysiology. The Center for Brain Research is internationally recognized by the innovative scientific research and discoveries and is currently divided into six divisions: Cognitive Neurobiology, Molecular Neurosciences, Neuroimmunology, Neurophysiology, Neuronal Cell Biology and Pathobiology of the Nervous System.

Employment requirements:

- Graduation in medicine or another life sciences discipline with a subject specific doctorate or an equivalent foreign university degree
- Outstanding scientific qualification in the field of neurophysiology
- Successful and continuous acquisition of competitive third-party funds
- Leadership and management experience, including gender and diversity competence
- Experience in interdisciplinary cooperation
- Educational and didactic qualification (evaluation results regarding teaching activities)
- International work experience

Expected from the applicant:

- Interdisciplinary and multidisciplinary research in terms of promoting the research cluster Medical Neuroscience as described in the University`s development
- Representation of the subject area in the medical curriculum aimed at integrative and practice oriented training
- Competence in employee leadership and motivation
- Commitment to quality orientation and willingness to continuously enhance personal management skills

The MedUni Vienna aims to increase the proportion of women in executive positions and therefore expressly encourages qualified female candidates to apply. In case of equivalent qualifications, preference will be given to female applicants.

Please submit your application in English to the Rector of the Medical University of Vienna, Spitalgasse 23, 1090 Vienna (faculty-recruiting@meduniwien.ac.at) by **April 30th 2024** at the latest. Applications should include (i) curriculum vitae, (ii) list of publications, (iii) summary of research and teaching activities, (iv) outline of future research plans, (v) presentation of experiences in management and leadership tasks and performance planning, (vi) list of ten most important publications according to the applicant (original scientific papers or reviews related to this call) with the possibility to download. Applicants are requested to complete the form (FactSheet) posted online and to attach it to their application: https://www.meduniwien.ac.at/Factsheet/Professuren_98_und_99_1
