1 Professuren an der MedUni Wien

1.1 Assistant Professor in „Sarcoma Biology“

At the Medical University of Vienna a position as

Assistant Professor in Sarcoma Biology

according to § 99 (5) University Law 2002 (UG) is announced.

The Medical University of Vienna is one of Europe's premiere institutions for biomedical and clinical research. We are looking for a highly qualified scientist in the field of sarcoma biology with enthusiasm for inter- and multidisciplinary research, and commitment to teaching.

The candidate is expected to have outstanding expertise in sarcoma biology with a focus on regulatory mechanisms underlying these cancers, which are often driven by oncogenic fusion proteins and are highly prevalent in children and young adults. The candidate should strengthen, expand and cross-link existing research and cluster topics within the university.

Your profile:

- Completed scientific or medical education with PhD or equivalent degree.
- International recognition in the respective research area.
- Successful and continuous acquisition of peer-reviewed third-party funding.
- Educational and didactic qualifications including supervision of Masters and PhD students.
- Diversity and gender competence.
- International working experience.

We offer:

The successful candidate will be offered an Assistant Professor position for a maximum duration of six years. Should the candidate meet the conditions stipulated in the qualification agreement, she:he will be promoted to tenured Associate Professor. Conditions and criteria are defined in the official career track guidelines of the university (Career scheme for the scientific University staff according to § 99 Abs. 5 University Act 2002 "New qualification agreement" - <https://www.meduniwien.ac.at/web/karriere/karriereentwicklung-an-der-meduni-wien/>).

The gross salary for this position is based on the collective agreement for university employees (§ 49, A2) and may be adjusted depending on previous work experience.

The Center for Cancer Research and the Cancer Research and Oncology Research Cluster provide an excellent research environment including state-of-the-art research core facilities as well as international PhD programs.

The MedUni Vienna aims to increase the proportion of women in leadership positions and therefore encourages qualified female candidates to apply. In case of equivalent qualifications, preference will be given to female applicants. The MedUni Vienna has childcare facilities on campus.

Application documents:

2 Equal Employment Opportunity

Die MedUni Wien bekennt sich zu Diversität und Gleichbehandlung und versteht die Inklusion unterschiedlicher sozialer, kultureller und fachlicher Hintergründe als Bereicherung von Wissenschaft und einer lebendigen, universitären Kultur. Wir möchten ein Arbeits- und Lernumfeld schaffen, in dem respektvoller und wertschätzender Umgang gefördert und nach fairen, transparenten und sachlichen Kriterien bewertet wird. Wir stellen uns aktiv gegen jede Form der Diskriminierung auf Grund des Geschlechts, der ethnischen Zugehörigkeit, der Religion, der Weltanschauung, des Alters oder der sexuellen Orientierung.

At the MedUni Vienna, we are committed to diversity and equality of opportunity. We believe that the inclusion of different social, cultural and professional backgrounds benefits the scientific endeavor and contributes to a more diverse and dynamic university. We aim to create a working and learning environment in which respectful and appreciative interaction is promoted and qualifications and merits are assessed according to fair, transparent and objective criteria. We actively oppose any discrimination based on gender, ethnicity, religion or conviction, age or sexual orientation.
