1 Professuren an der MedUni Wien

1.1 Assistant Professor in „Medical Image Computing“

At the Medical University of Vienna a position as

Assistant Professor in Medical Image Computing

according to § 99 (5) Austrian University Law 2002 is announced.

The Medical University of Vienna is one of Europe's premiere institutions for biomedical and clinical research. We are looking for a highly qualified scientist in the field of deep learning methods & applications, with enthusiasm for inter- and multidisciplinary research, and commitment to teaching.

The candidate should have outstanding research expertise in computational image analysis, medical image computing and machine learning applied to biomedical image data. Synergies and scope for collaboration with one or more of the research clusters of the Medical University of Vienna is a plus (<https://www.meduniwien.ac.at/web/en/research/areas-of-research/>).

Your profile:

- Relevant scientific education including a PhD, MD-PhD or similar degree
- International recognition in the wider field of machine learning and medical image analysis
- A track record of strong publications and acquisition of peer-reviewed third-party funding
- Educational and didactic qualifications including supervision of Masters and PhD students
- Diversity and gender competence
- International working experience

We offer:

The successful candidate will be offered an Assistant Professor position (according to § 99 (5) Austrian University Law 2002) for a maximum duration of six years. If during these time the successful candidate meets the conditions stipulated in the qualification agreement, she:he will be promoted to tenured Associate Professor. Details are described in the university's official career development guidelines (<https://www.meduniwien.ac.at/web/en/career/career-development-at-meduni-vienna/>).

The Institute of Artificial Intelligence, the Center for Medical Data Science, and the Medical University of Vienna provide an excellent research environment, including participation in an international PhD program. The gross salary for this position is based on the collective agreement for university employees (§49, A2) and may be adjusted depending on previous work experience.

The Medical University of Vienna aims to increase the proportion of women in leadership positions and therefore encourages qualified female candidates to apply. In case of equivalent qualifications, preference will be given to female applicants. Subsidized child care facilities are available on campus.

Application documents:

Please submit your application in English to faculty-recruiting5@meduniwien.ac.at no later than October 1st 2023. All application materials should be merged into a single PDF document if possible.

Applications should include:

- Curriculum vitae
- List of publications
- List of five key publications with download links
- Summary of research and teaching activities
- A concept of future research plans
- Contact details of three referees

Candidates are also requested to complete an application fact sheet (PDF file) and two supplementary tables (Excel files): https://www.meduniwien.ac.at/Factsheet_Professuren_99_5_UG/, which should be included in the application materials.

Information in accordance with the General Data Protection Regulation can be found at https://www.meduniwien.ac.at/Datenschutz_Professuren/

About us

The Medical University of Vienna is one of the most established institutions of medical training research, training, and practice in Europe. It was part of the University of Vienna founded in 1365 and became an independent university in 2004. With 8,000 students, it is the largest medical training facility in the German-speaking countries. It comprises 30 departments and two clinical institutes as well as 13 basic science centres and numerous specialized laboratories, which make the Medical University of Vienna one of the most important institutions of cutting-edge research in biomedicine.

Professor Markus Müller, MD

Rector

2 Equal Employment Opportunity

Die MedUni Wien bekennt sich zu Diversität und Gleichbehandlung und versteht die Inklusion unterschiedlicher sozialer, kultureller und fachlicher Hintergründe als Bereicherung von Wissenschaft und einer lebendigen, universitären Kultur. Wir möchten ein Arbeits- und Lernumfeld schaffen, in dem respektvoller und wertschätzender Umgang gefördert und nach fairen, transparenten und sachlichen Kriterien bewertet wird. Wir stellen uns aktiv gegen jede Form der Diskriminierung auf Grund des Geschlechts, der ethnischen Zugehörigkeit, der Religion, der Weltanschauung, des Alters oder der sexuellen Orientierung.

At the MedUni Vienna, we are committed to diversity and equality of opportunity. We believe that the inclusion of different social, cultural and professional backgrounds benefits the scientific endeavor and contributes to a more diverse and dynamic university. We aim to create a working and learning environment in which respectful and appreciative interaction is promoted and qualifications and merits are assessed according to fair, transparent and objective criteria. We actively oppose any discrimination based on gender, ethnicity, religion or conviction, age or sexual orientation.
