

**University of
Zurich** ^{UZH}

Faculty of Medicine / Faculty of Science

The University of Zurich invites applications for the following position, available starting 1. August 2019:

Professorship of Physiology (Full or Associate Professor level)

The successful candidate is an internationally renowned scientist in the field of organ or systems physiology with a several years' track record of competitive fund raising and high quality teaching. She/he should contribute to or complement the existing research areas at the institute (www.physiol.uzh.ch) by adding an additional research focus or methodological expertise.

The University of Zurich offers a competitive start-up package and a vibrant research environment with excellent opportunities for interdisciplinary collaborations. A strong commitment to excellent teaching in Physiology to students of the Faculty of Medicine and the Faculty of Science in German and/or English is expected.

The University of Zurich is an equal opportunity employer. The Faculty of Medicine implements specific measures in the selection process to increase the proportion of women with a faculty position.

Please hand in your application for this position at <https://www.recruiting.med.uzh.ch/position/12058624> **by August 7th, 2017**. Applications by mail or e-mail cannot be considered. For additional information, please contact the president of the search committee, Prof. Dr. H.U. Zeilhofer, Tel. +41 44 635 59 12, E-Mail: zeilhofer@pharma.uzh.ch or the head of the Institute of Physiology, Prof. Dr. R. Wenger, Tel. +41 44 635 50 56, E-Mail: roland.wenger@access.uzh.ch.
