

Announcement of a Professorship for "Pediatric Epileptology"
at the Medical University of Vienna

The Medical University of Vienna (MedUni Vienna) is one of the largest medical universities in the EU with more than 5,500 employees and around 8,000 students. At the Department of Pediatrics and Adolescent Medicine a professorship for "Pediatric Epileptology" according to § 99 (1) Universities Act (UG) 2002 has to be filled as soon as possible. The appointment will be made in accordance with the Salaried Employees Act on the basis of a temporary contract for a period of three years.

Employment requirements:

- Doctoral degree in human medicine or a corresponding foreign university degree in the relevant field of specialization
- Authorization to independently practice the medical profession as a specialist in pediatrics and adolescent medicine or equivalent domestic or foreign authorization
- Profound scientific qualifications in the field of pediatric epileptology
- Profound clinical experience in presurgical epilepsy diagnosis in children and adolescents
- Proof of successful, continuous acquisition of competitive third-party funding
- Interdisciplinary cooperation experience
- Educational and didactic qualification
- Competence in gender and diversity issues
- International experience

Applicants are expected to:

- Inter- and multidisciplinary research to strengthen the research cluster "Medical Neuroscience" and "Immunology" described in the University's Development Plan
- Experience in organizing university teaching
- Qualification in employee leadership and motivation
- Commitment to results quality orientation and willingness to further develop personal management skills

The MedUni of Vienna aims to increase the proportion of women in management positions and therefore explicitly requests qualified female candidates to apply. Female applicants will be preferred in case of equivalent qualifications.

Applications should be sent in English to the Rector of the Medical University of Vienna by February 29th, 2020 at the latest (faculty-recruiting@meduniwien.ac.at).

Applications should include: (i) curriculum vitae, (ii) list of publications, (iii) summary of research and teaching activities, (iv) presentation of experience in the areas of organization, management, management tasks and performance planning, (v) the ten best publications according to the opinion of the applicant (scientific original or review papers appropriate to this announcement) with the possibility of electronic downloading.

Applicants are requested to fill in the online form (FactSheet) and attach it to the application:
