

**Announcement of a Professorship Position „Internal Medicine with main area Hematology“
at the Medical University of Vienna**

The Medical University of Vienna (MedUni Vienna) with more than 5.500 employees and about 8.000 students is one of the largest academic medical schools in the EU area. At the **Department for Internal Medicine I** of the MedUni Vienna and the General Hospital of the City of Vienna (AKH Vienna) a Professorship Position for **Internal Medicine with main area Hematology** is available, starting October 2021. We offer an employment with indefinite duration according to the Salaried Employees Act. The successful applicant will be head of the Clinical Division of Hematology and Hemostaseology. This Clinical Division has a focus on Precision Medicine, Translational Research, Stem Cell Research, Cell Therapy and Hemostaseology.

Employment requirements:

1. Graduation in humane medicine with a subject specific doctorate or a corresponding foreign university degree in the relevant field of specialization;
2. Qualification as a specialist for internal medicine and additive specialist for hematology and internistic oncology or equivalent domestic or foreign authority;
3. Profound clinical and scientific qualification in the field of Hematology;
4. Evidence of the successful acquisition of competitive third-party funds;
5. Perennial leadership and management experience, including gender and diversity competence, in particular regarding the leadership of a hospital section of the highest care level;
6. Experience in interdisciplinary cooperation in clinic and science;
7. Educational and didactic qualification;
8. International experience.

Expected from the applicant:

- Interdisciplinary and multidisciplinary research in terms of promoting the research cluster described in the University's development plan, in particular the research cluster „Cancer Research and Oncology“ and „Immunology“;
- Contribution to the Comprehensive Cancer Center;
- Contribution to the development of the Centers for Precision Medicine and Translational Medicine and Therapy;
- Development of a main area „Cellular Therapies“;
- Representation of the subject area in the medical curriculum aimed at integrative and practice oriented training;
- Competence in employee leadership and motivation;
- Continuation and optimization of the clinical services and procedures in cooperation with other disciplines and clinics as well as the management of the AKH Vienna;
- Commitment to quality outcome orientation and willingness to further enhance the personal management qualifications.

The MedUni Vienna aims to increase the proportion of women in executive positions and therefore expressly invites qualified female candidates to apply. In case of equivalent qualifications, preference will be given to female applicants.

Applications must be submitted in English to the Rector of the Medical University of Vienna, (faculty-recruiting@meduniwien.ac.at) **by July 30th, 2020** at the latest. Applications should include (i) curriculum vitae, (ii) list of publications, (iii) summary of research and teaching activities, (iv) presentation of experiences in the area of organization, management, leadership tasks and performance planning, (v) the ten best publications according to the opinion of the applicant (original scientific papers or reviews appropriate to this announcement) with the possibility of electronic downloading. Applicants are requested to complete the form (FactSheet) posted online and to attach it to their application: https://www.meduniwien.ac.at/Factsheet_Professuren
