

**Announcement of a Professorship Position for „Medical Education“
at the Medical University of Vienna**

The Medical University of Vienna (MedUni Vienna) with more than 5.500 employees and about 8.000 students is one of the largest academic medical schools in the EU area. At the Teaching Center of the MedUni Vienna a Professorship Position for Medical Education according to § 98 UG 2002 is available. The position to be filled as soon as possible is designed to strengthen research in the areas of Medical Education and Educational Technology. We offer an employment with indefinite duration according to the Salaried Employees Act.

Employment requirements:

1. Graduation in medicine/dental medicine or life sciences/educational sciences/social sciences with a subject specific doctorate or a corresponding foreign university degree in the relevant field of specialization
2. Evidence of specific education in the area of Medical Education (e.g MME) and evidence of relevant professional experience (research and teaching) with emphasis on Medical Educational Technology
3. Outstanding international scientific achievements in the field of Medical Education and Educational Technology
4. Evidence of successful acquisition of competitive third-party funds
5. Several years of successful leadership of a scientific working group, leadership and management experience, including competence in gender and diversity issues
6. Educational and didactic qualification (evaluation results regarding teaching activities); continuous teaching in Undergraduate Medicine Curricula
7. Experience in interdisciplinary cooperation, international experience

Expectations:

1. Excellent interdisciplinary and multidisciplinary research to strengthen the research area Medical Education and Educational Technology
2. Further development of digital teaching and simulation technology
3. Further development and innovation of assessment in a digital environment
4. Contribution to Human Resources Development teaching and significant support for teachers regarding specific teaching and study formats, including eLearning and blended Learning
5. Integration in teaching and input in further development of the curricula
6. Competence in employee leadership and motivation
7. Commitment to quality outcome orientation and willingness to further enhance the personal management qualifications

MedUni Vienna aims to increase the proportion of women in executive positions and therefore expressly invites qualified female candidates to apply. In case of equivalent qualifications, preference will be given to female applicants. Applications must be submitted in English to the Rector of the Medical University of Vienna, (faculty-recruiting@meduniwien.ac.at) by November 9th, 2020 at the latest. Applications should include (i) curriculum vitae, (ii) list of publications, (iii) summary of research and teaching activities, (iv) presentation of experiences in the area of organization, management, leadership tasks and performance planning, (v) the ten best publications according to the opinion of the applicant (original scientific papers or reviews appropriate to this announcement) with the possibility of electronic downloading. Applicants are requested to complete the form (FactSheet) posted online and to attach it to their application: https://www.meduniwien.ac.at/Factsheet_Professuren
