

**Announcement of a Professorship for Pediatric Epileptology
at the Medical University of Vienna**

The Medical University of Vienna (MedUni Vienna) is one of the largest medical universities in the EU with more than 5,500 employees and around 8,000 students. At the Department of Pediatrics and Adolescent Medicine a professorship for Pediatric Epileptology according to § 99 (1) Universities Act (UG) 2002 has to be filled as soon as possible. The appointment will be made in accordance with the Salaried Employees Act on the basis of a temporary contract for a period of three years.

Employment requirements:

- Graduation in medicine with a subject specific doctoral degree or a corresponding foreign university degree in the relevant field of specialization
- Authorization to independently practice the medical profession as a specialist in pediatrics and adolescent medicine or equivalent domestic or foreign authorization
- Profound clinical experience in presurgical epilepsy diagnosis in children and adolescents
- Profound scientific qualifications in the field of presurgical epilepsy diagnosis in children and adolescents
- Evidence of successful, continuous acquisition of competitive third-party funds
- Experience in interdisciplinary cooperation
- Leadership experience
- Educational and didactic qualification
- Competence in gender and diversity issues
- International experience

Applicants are expected to:

- Interdisciplinary and multidisciplinary research to strengthen the research cluster "Medical Neuroscience" described in the University's Development Plan
- Representation of the subject area in the medical curriculum aimed at integrative and practice oriented training;
- Qualification in employee leadership and motivation
- Commitment to quality outcome orientation and willingness to further enhance personal management skills

The MedUni Vienna aims to increase the proportion of women in executive positions and encourages qualified female candidates to apply. In case of equivalent qualifications, preference will be given to female applicants.

Please submit your application in English to the Rector of the Medical University of Vienna by November 15th 2021 at the latest (faculty-recruiting@meduniwien.ac.at).

Applications should include: (i) curriculum vitae, (ii) list of publications, (iii) summary of research and teaching activities, (iv) presentation of experience in the areas of organization, management, management tasks and performance planning, (v) ten key publications according to the applicant's opinion (scientific original or review papers appropriate to this announcement) with the possibility of electronic downloading.

Applicants are also requested to complete the online form (FactSheet) and attach it to their application: https://www.meduniwien.ac.at/Factsheet_Professur_99_1_UG/
