

Announcement of a Professorship Position for Interventional Bronchology at the Medical University of Vienna

The Medical University of Vienna (MedUni Vienna) with more than 5.500 employees and about 8.000 students is one of the largest academic medical schools in the EU area. **At the Department of Medicine II** (Division of Pulmonology) **a Professorship Position for Interventional Bronchology** according to §98 university act (UG) is available, starting October 1st, 2022. We offer an employment with indefinite duration according to the Salaried Employees Act.

Employment requirements:

1. Graduation in Medicine with a subject specific doctorate or an equivalent foreign university degree
2. Qualification as a specialist for internal medicine and pneumonology or equivalent domestic and foreign authority
3. Profound scientific qualification in the field of interventional bronchology and pulmology
4. Profound clinical qualification in interventional bronchology, including endoscopic lung volume reduction (ELVR), respiratory medicine (Weaning) and intensive-care medicine
5. Successful and continuous acquisition of competitive third-party funds
6. Leadership and management experience, including gender and diversity competence,
7. Experience in interdisciplinary cooperation in clinic and research
8. Educational and didactic qualification (evaluation results regarding teaching activities)
9. International experience

Expected from the applicant:

- Interdisciplinary and multidisciplinary research in terms of promoting the research clusters described in the University` s development plan and willingness to further develop the interdisciplinary thoracic surgical and pneumological bronchology unit
- Representation of the subject area in the medical curriculum aimed at integrative and practice oriented training
- Competence in employee leadership and motivation
- Continuation and optimization of the clinical services and procedures in cooperation with other disciplines and clinics as well as the management of the AKH Vienna
- Commitment to quality outcome orientation and willingness to further enhance the personal management qualifications

The MedUni Vienna aims to increase the proportion of women in executive positions and therefore expressly invites qualified female candidates to apply. In case of equivalent qualifications, preference will be given to female applicants.

Written applications must be submitted in German or English to the Rector of the Medical University of Vienna, Spitalgasse 23, 1090 Vienna (faculty-recruiting@meduniwien.ac.at) by **January 15th, 2022** at the latest. Applications should include (i) curriculum vitae, (ii) list of publications, (iii) summary of research and teaching activities, (iv) presentation of experiences in the area of organization, management, leadership tasks and performance planning, (v) the ten best publications according to the opinion of the applicant (original scientific papers or reviews appropriate to this announcement) with the possibility of electronic downloading. Applicants are requested to complete the form (FactSheet) posted online and to attach it to their application: https://www.meduniwien.ac.at/Factsheet_Professuren
