

Announcement of a Professorship position for „Neuroradiology“ at the Medical University of Vienna

The Medical University of Vienna (MedUni Vienna) with more than 5.500 employees and about 8.000 students is one of the largest academic medical schools in the EU area. At the **Department of Biomedical Imaging and Image-guided Therapy** of the MedUni Vienna and the General Hospital of the City of Vienna (AKH) a **Professorship Position for Neuroradiology** according to §98 UG is available, starting October 1st, 2021. We offer an employment with indefinite duration according to the Salaried Employees Act. The successful applicant will be head of the Clinical Division of Neuroradiology and Musculoskeletal Radiology.

Employment requirements:

1. Graduation in Medicine with a subject specific doctorate or an equivalent foreign university degree;
2. Qualification as a specialist for radiology or equivalent domestic and foreign authority with broad knowledge in the field of radiology, among others also in the area of musculoskeletal radiology;
3. Profound clinical and scientific qualification in the field of neuroradiology and expertise in pediatric neuroradiology;
4. Successful acquisition of competitive third-party funds;
5. Leadership and management experience, including gender and diversity competence, in particular regarding the leadership of a hospital section of the highest care level;
6. Experience in interdisciplinary cooperation in clinic and science;
7. Educational and didactic qualification;
8. International experience.

Expected from the applicant:

- Interdisciplinary and multidisciplinary research in clinical and scientific divisional main areas in terms of promoting the research clusters described in the University's development plan (in particular medical imaging, neuroscience, immunology);
- Active cooperation in the development of an integrative center for clinical neuroscience;
- Active cooperation in the development of the main area of neurointervention in cooperation with the Clinical Division of Cardiovascular and Interventional Radiology and the Departments of Neurosurgery and Neurology;
- Representation of the subject area in the medical curriculum aimed at integrative and practice oriented training;
- Competence in employee leadership and motivation;
- Continuation and optimization of the clinical services and procedures in cooperation with other disciplines and clinics as well as the management of the General Hospital of the City of Vienna;
- Commitment to quality outcome orientation and willingness to further enhance the personal management qualifications.

The MedUni Vienna aims to increase the proportion of women in executive positions and therefore expressly invites qualified female candidates to apply. In case of equivalent qualifications, preference will be given to female applicants.

Applications must be submitted in English to the Rector of the Medical University of Vienna, (faculty-recruiting@meduniwien.ac.at) by **April 21st, 2021** at the latest. Applications should include (i) curriculum vitae, (ii) list of publications, (iii) summary of research and teaching activities, (iv) presentation of experiences in the area of organization, management, leadership tasks and performance planning, (v) the ten best publications according to the opinion of the applicant (original scientific papers or reviews appropriate to this announcement) with the possibility of electronic downloading. Applicants are requested to complete the form (FactSheet) posted online and to attach it to their application: https://www.meduniwien.ac.at/Factsheet_Professuren
