

Announcement of a Professorship Position for Angiology at the Medical University of Vienna

The Medical University of Vienna with more than 6.500 employees and about 8.000 students is one of the largest academic medical schools in the EU area. At the **Department of Internal Medicine II** of the Medical University of Vienna and the University Hospital Vienna a **Full Professorship Position for Angiology** according to §98 university act 2002 is available, starting October 1st, 2023. We offer a tenured position (permanent employment according to the Austrian Employees act). The university intends to appoint the successful applicant as head of the Division of Angiology at the Department of Internal Medicine II.

Employment requirements:

- Graduation in medicine with a subject specific doctorate or an equivalent foreign university degree
- Qualification as a specialist for internal medicine and angiology or equivalent domestic or foreign certification
- Outstanding scientific qualification in the field of angiology
- Outstanding clinical qualification in the field of angiology
- Successful and continuous acquisition of competitive third-party funds
- Leadership and management experience, including gender and diversity competence, and with qualification to manage a hospital department of the highest level of care
- Experience in interdisciplinary cooperation in clinic and research
- Educational and didactic qualification (evaluation results regarding teaching activities)
- International work experience

Expected from the applicant:

- Interdisciplinary and multidisciplinary research in terms of promoting the research cluster Cardiovascular Medicine described in the University's development plan and participation in the Comprehensive Center for Cardiovascular Medicine
- Close cooperation with departments/divisions for Vascular Surgery, Heart Surgery, Cardiovascular and Interventional Radiology, Cardiology, Thoracic Surgery and Anesthesia, Intensive Care Medicine and Pain Medicine
- Representation of the discipline in the medical curriculum aimed at integrative and practice oriented training
- Competence in employee leadership and motivation
- Continuation and optimization of the clinical services and procedures in cooperation with other disciplines and clinics as well as the management of the University Hospital Vienna
- Commitment to quality orientation and willingness to continuously enhance personal management skills

The MedUni Vienna aims to increase the proportion of women in executive positions and therefore expressly encourages qualified female candidates to apply. In case of equivalent qualifications, preference will be given to female applicants.

Please submit your application in English to the Rector of the Medical University of Vienna, Spitalgasse 23, 1090 Vienna (faculty-recruiting@meduniwien.ac.at) by **December 31st 2022** at the latest. Applications should include (i) curriculum vitae, (ii) list of publications, (iii) summary of research and teaching activities, (iv) outline of future research plans, (v) presentation of experiences in management and leadership tasks and performance planning, (vi) list of ten most important publications according to the applicant (original scientific papers or reviews related to this call) with the possibility to download. Applicants are requested to complete the form (FactSheet) posted online and to attach it to their application: https://www.meduniwien.ac.at/Factsheet_Professuren.

Information in accordance with the General Data Protection Regulation can be found at https://www.meduniwien.ac.at/Datenschutz_Professuren/.
