

Announcement of a Professorship Position for Thoracic Surgery at the Medical University of Vienna

The Medical University of Vienna (MedUni Vienna) with more than 6.500 employees and about 8.000 students is one of the largest academic medical schools in the EU area. At the **Department of Thoracic Surgery** of the MedUni Vienna and the University Hospital Vienna a **Professorship Position for Thoracic Surgery** according to §98 university act 2002 is available. We offer an employment with indefinite duration according to the Salaried Employees Act. The successful applicant will be head of the Department Of Thoracic Surgery.

Employment requirements:

1. Graduation in medicine with a subject specific doctorate or an equivalent foreign university degree
2. Qualification as a specialist for thoracic surgery or equivalent domestic and foreign authority
3. Profound scientific qualification in the field of thoracic surgery
4. Profound clinical qualification in thoracic surgery, especially in the field of lung transplantation, laryngotracheal surgery, advanced oncological thoracic surgery and surgery of pulmonary hypertension
5. Successful and continuous acquisition of competitive third-party funds
6. Leadership and management experience, including gender and diversity competence
7. Experience in interdisciplinary cooperation in clinic and research
8. Educational and didactic qualification (evaluation results regarding teaching activities)
9. International working experience

Expected from the applicant:

- Interdisciplinary and multidisciplinary research in terms of promoting the research clusters described in the University's development plan and participation in the Comprehensive Cancer Center and Comprehensive Center of Chest Disease, especially in the field of interdisciplinary cooperation between thoracic surgery and pulmonology
- Representation of the subject area in the medical curriculum aimed at integrative and practice oriented training
- Competence in employee leadership and motivation
- Continuation and optimization of the clinical services and procedures in cooperation with other disciplines and clinics as well as the management of the University Hospital Vienna
- Commitment to quality orientation and willingness to further enhance the personal management qualifications

The MedUni Vienna aims to increase the proportion of women in executive positions and therefore expressly encourages qualified female candidates to apply. In case of equivalent qualifications, preference will be given to female applicants.

Please submit your application in English to the Rector of the Medical University of Vienna, Spitalgasse 23, 1090 Vienna (faculty-recruiting@meduniwien.ac.at) by **May 31st 2022** at the latest. Applications should include (i) curriculum vitae, (ii) list of publications, (iii) summary of research and teaching activities, (iv) presentation of experiences in the area of organization, management, leadership tasks and performance planning, (v) the ten best publications according to the opinion of the applicant (original scientific papers or reviews appropriate to this announcement) with the possibility to download. Applicants are requested to complete the form (FactSheet) posted online and to attach it to their application: https://www.meduniwien.ac.at/Factsheet_Professuren.

Information in accordance with the General Data Protection Regulation can be found at https://www.meduniwien.ac.at/Datenschutz_Professuren/.
