Announcement of a Professorship Position for Mechanical Circulation Support at the Medical University of Vienna

The Medical University of Vienna (MedUni Vienna) with more than 6,000 employees and about 8,000 students is one of the largest academic medical schools in the EU area. At the Department of Cardiac Surgery of the MedUni Vienna and the University Hospital Vienna a Professorship Position for Mechanical Circulation Support according to § 99 (1) university act 2002 is available, starting as soon as possible. We offer a temporary appointment according to the Austrian Employees Act for a three years period.

Employment requirements:

• Graduation in medicine with a subject specific doctorate or an equivalent foreign university degree
• Qualification as a specialist for heart surgery or equivalent domestic and foreign authority
• Outstanding scientific qualification in the field of cardiac surgery, especially mechanical circulatory support, heart failure and heart transplantation
• Profound clinical qualification for the treatment of patients by means of various procedures of mechanical circulatory support, also in the fields of transplantation and pediatric cardiac surgery
• Successful and continuous acquisition of competitive third-party funds
• Leadership and management experience, including gender and diversity competence
• Experience in interdisciplinary cooperation in clinic and research
• Educational and didactic qualification (evaluation results regarding teaching activities)
• International working experience

Expected from the applicant:

• Interdisciplinary and multidisciplinary research in terms of promoting the research clusters described in the University’s development plan, especially the cluster of Cardiovascular Medicine as well as active cooperation with the Comprehensive Center for Cardiovascular Medicine
• Representation of the subject area in the medical curriculum aimed at integrative and practice oriented training
• Competence in employee leadership and motivation
• Continuation and optimization of the clinical services and procedures in cooperation with other disciplines and clinics as well as the management of the University Hospital Vienna
• Commitment to quality orientation and willingness to further enhance the personal management qualifications

The MedUni Vienna aims to increase the proportion of women in executive positions and therefore expressly encourages qualified female candidates to apply. In case of equivalent qualifications, preference will be given to female applicants.

Please submit your application in English to the Rector of the Medical University of Vienna, Spitalgasse 23, 1090 Vienna (faculty-recruiting@meduniwien.ac.at) by August 31 2023 at the latest. Applications should include (i) curriculum vitae, (ii) list of publications, (iii) summary of research and teaching activities, (iv) outline of future research plans, (v) presentation of experiences in the area of organization, management, leadership tasks and performance planning, (vi) the ten best publications according to the opinion of the applicant (original scientific papers or reviews appropriate to this announcement) with the possibility to download. Applicants are requested to complete the form (FactSheet) posted online and to attach it to their application: https://www.meduniwien.ac.at/Factsheet/Professuren_98_und_99_1.
