

Announcement of a Professorship Position for Pharmacology at the Medical University of Vienna

The Medical University of Vienna (MedUni Vienna) with more than 6.500 employees and about 8.500 students is one of the largest academic schools in the EU area. At the **Center for Physiology and Pharmacology** of the MedUni Vienna a **Full Professorship Position for Pharmacology** according to §98 University Act 2002 is available, starting January 1, 2026. We offer permanent employment according to the Austrian Employees act.

Employment requirements:

- Graduation in medicine with a subject specific doctorate or an equivalent foreign university degree
- Qualification as a specialist for pharmacology and toxicology or equivalent domestic and foreign authorization
- Outstanding scientific qualification in the field of pharmacology
- Successful and continuous acquisition of competitive third-party funds
- Leadership and management experience, including gender and diversity competence
- Experience in translational research, ideally with successful implementation of preclinical or clinical studies
- Educational and didactic qualification (evaluation results regarding teaching activities)
- International work experience

Expected from the applicant:

- Interdisciplinary and multidisciplinary research in terms of promoting the field of pharmacology and the research clusters and centers described in the University`s development plan
- Establishment of translational research concepts with the aim of transferring innovative findings into clinical application
- Commitment to teaching and training medical students, particularly in the teaching of pharmacological principles and innovative concepts for personalised medicine
- Representation of the subject area in the medical curriculum aimed at integrative and practice oriented training
- Promotion of young scientists and mentoring of doctoral and post-doctoral students.
- Competence in employee leadership and motivation
- Commitment to quality orientation and willingness to continuously enhance personal management skills

The MedUni Vienna aims to increase the proportion of women in executive positions and therefore expressly encourages qualified female candidates to apply. In case of equivalent qualifications, preference will be given to female applicants.

Please submit your application in English to the Rector of the Medical University of Vienna, Spitalgasse 23, 1090 Vienna (faculty-recruiting@meduniwien.ac.at) by **June 4, 2025** at the latest. Applications should include (i) curriculum vitae (maximum 10 pages), (ii) list of publications, (iii) summary of research and teaching activities, (iv) outline of future research plans, (v) presentation of experiences in management and leadership tasks and performance planning, (vi) list of ten most important publications according to the applicant (original scientific papers or reviews related to this call) with the possibility to download. Applicants are requested to submit all documents as individual files and complete the forms (FactSheet incl. enclosure) posted online and to attach it to their application: https://www.meduniwien.ac.at/Factsheet/Professuren_98_und_99_1

Information in accordance with the General Data Protection Regulation can be found at https://www.meduniwien.ac.at/Datenschutz_Professuren/.

Professor Markus Müller, MD
