

Announcement of a Professorship Position for Structural Heart Diseases at the Medical University of Vienna

The Medical University of Vienna (MedUni Vienna) with more than 6.500 employees and about 8.500 students is one of the largest academic medical schools in the EU area. At the **Department of Internal Medicine II (Division of Cardiology)** of the MedUni Vienna a **Professorship Position for Structural Heart Diseases** according to § 99 (1) university act 2002 is available, starting soon as possible. We offer a temporary appointment according to the Austrian Employees Act for a three years period.

Employment requirements:

- Graduation in medicine with a subject specific doctorate or an equivalent foreign university degree
- Qualification as a specialist for cardiology or equivalent domestic or foreign authorization
- Outstanding scientific qualification in the field of interventional and structural cardiology
- Profound clinical qualification in the field of structural heart diseases (heart valve interventions, transcatheter technologies, congenital heart defects)
- Successful and continuous acquisition of competitive third-party funds
- Leadership and management experience, including gender and diversity competence
- Experience in interdisciplinary cooperation in clinic and research
- Educational and didactic qualification (evaluation results regarding teaching activities)
- International working experience

Expected from the applicant:

- Interdisciplinary and multidisciplinary research in terms of promoting the research cluster for cardiovascular medicine described in the University's development plan and participation in the Comprehensive Center for Cardiovascular Medicine (CCVM)
- Representation of the subject area in the medical curriculum aimed at integrative and practice oriented training
- Competence in employee leadership and motivation
- Continuation and optimization of the clinical services and procedures in cooperation with other disciplines and clinical departments as well as the management of the University Hospital Vienna
- Commitment to quality orientation and willingness to further enhance the personal management qualifications

The MedUni Vienna aims to increase the proportion of women in executive positions and therefore expressly encourages qualified female candidates to apply. In case of equivalent qualifications, preference will be given to female applicants.

Please submit your application in English to the Rector of the Medical University of Vienna, Spitalgasse 23, 1090 Vienna (faculty-recruiting@meduniwien.ac.at) by **October 31, 2025** at the latest. Applications should include (i) curriculum vitae (maximum 10 pages), (ii) list of publications, (iii) summary of research and teaching activities, (iv) outline of future research plans, (v) presentation of experiences in the area of organization, management, leadership tasks and performance planning, (vi) the ten best publications according to the opinion of the applicant (original scientific papers or reviews appropriate to this announcement) with the possibility to download.

Applicants are requested to submit all documents as individual files and to complete all forms (FactSheet incl. enclosure) posted online and to attach it to their application:
https://www.meduniwien.ac.at/Factsheet/Professuren_98_und_99_1.
