

**Announcement of a Professorship Position for „Palliative Medicine“
at the Medical University of Vienna**

The Medical University of Vienna (MedUni Vienna) with more than 5.500 employees and about 8.000 students is one of the largest academic medical schools in the EU area. At the Department of Medicine I of the MedUni Vienna and the General Hospital of the City of Vienna (AKH) a Professorship Position for Palliative Medicine according to §98 UG is available, starting October 1st, 2021. We offer an employment with indefinite duration according to the Salaried Employees Act. The Department of Medicine I is currently divided into four clinical divisions: (i) Palliative Medicine, (ii) Oncology, (iii) Hematology/Hemostaseology and (iv) Infectious Diseases and Tropical Medicine. The successful applicant will be head of the Clinical Division of Palliative Medicine.

Employment requirements:

1. Graduation in Medicine with a subject specific doctorate or an equivalent foreign university degree;
2. Specialization for palliative medicine or equivalent domestic or foreign license;
3. Profound clinical and scientific qualification in the field of palliative medicine;
4. Successful acquisition of competitive third-party funds;
5. Leadership and management experience, including gender and diversity competence, in particular regarding the leadership of a hospital section of the highest care level;
6. Experience in interdisciplinary cooperation;
7. Educational and didactic qualification;
8. International experience.

Expected from the applicant:

- Interdisciplinary and multidisciplinary research in terms of promoting the research clusters described in the University's development plan;
- Active contribution to the activities of the Comprehensive Cancer Center and intensive cooperation with the Divisions of Medical Oncology and Hematology/Hemostaseology
- Representation of the subject area in the medical curriculum aimed at integrative and practice oriented training;
- Competence in employee leadership and motivation;
- Continuation and optimization of the clinical services and procedures in cooperation with other disciplines and clinics as well as the management of the AKH Vienna;
- Commitment to quality outcome orientation and willingness to further enhance the personal management qualifications.

The MedUni Vienna aims to increase the proportion of women in executive positions and therefore expressly invites qualified female candidates to apply. In case of equivalent qualifications, preference will be given to female applicants.

Applications must be submitted in English to the Rector of the Medical University of Vienna, (faculty-recruiting@meduniwien.ac.at) by November 30th, 2020 at the latest. Applications should include (i) curriculum vitae, (ii) list of publications, (iii) summary of research and teaching activities, (iv) presentation of experiences in the area of organization, management, leadership tasks and performance planning, (v) the ten best publications according to the opinion of the applicant (original scientific papers or reviews appropriate to this announcement) with the possibility of electronic downloading. Applicants are requested to complete the form (FactSheet) posted online and to attach it to their application: https://www.meduniwien.ac.at/Factsheet_Professuren
