

**Announcement of a Professorship Position „Neuronal Cell Biology“
at the Medical University of Vienna**

The Medical University of Vienna (MedUni Vienna) with more than 5.500 employees and about 8.000 students is one of the largest academic medical schools in the EU area. At the Center for Brain Research of the MedUni Vienna a Professorship Position for „Neuronal Cell Biology“ according to § 98 UG is available, starting **June 1st, 2020**. The Center for Brain Research is a multidisciplinary research institute structured into six divisions (Cognitive Neurobiology, Molecular Neuroscience, Neuroimmunology, Neurophysiology, Neuronal Cell Biology and Pathobiology of the Nervous System). We offer an employment with indefinite duration according to the Salaried Employees Act. The successful applicant will be head of the Division Neuronal Cell Biology.

Employment requirements:

1. Graduation in humane medicine or in a related discipline of life sciences with a subject specific doctorate or a corresponding foreign university degree in the relevant field of specialization;
2. Outstanding scientific achievements and innovative use of modern scientific methods in the field of Neuronal Cell Biology;
3. Evidence of the successful acquisition of competitive third-party funds;
4. Several years of successful leadership of a scientific working group, leadership and management experience, including competence in gender issues;
5. Educational and didactic qualification (evaluation results regarding teaching activities);
6. Experience in interdisciplinary cooperation;
7. International experience.

Expected from the applicant:

1. Outstanding interdisciplinary and multidisciplinary research to strengthen the research cluster „Medical Neurosciences“;
2. Representation of the subject area in the medical curriculum aimed at integrative and practice-oriented teaching;
3. Competence in employee leadership and motivation;
4. Commitment to quality outcome orientation and willingness to further enhance the personal management qualifications.

The MedUni Vienna aims to increase the proportion of women in executive positions and therefore expressly invites qualified female candidates to apply. In case of equivalent qualifications, preference will be given to female applicants.

Written applications must be submitted in German or English to the Rector of the Medical University of Vienna, Spitalgasse 23, 1090 Vienna, Austria (buero-universitaetsleitung@meduniwien.ac.at) by **January 10th, 2020** at the latest. Applications should include (i) curriculum vitae, (ii) list of publications, (iii) summary of research and teaching activities, (iv) summary of third-party funds acquisition, (v) presentation of experiences in the area of organization, management, leadership tasks and performance planning (vi) the applicant´s qualifications according to the application requirements and (vi) the ten best publications according to the opinion of the applicant (original scientific papers or reviews appropriate to this announcement) with the possibility of electronic downloading. Applicants are requested to complete the form (FactSheet) posted online and to attach it to their application: https://www.meduniwien.ac.at/Factsheet_Professuren
