

MEDICAL UNIVERSITY  
OF VIENNA

# Stay safe & stay healthy

## Admission regulations

Anyone infected with SARS-CoV-2 (whether with or without symptoms) is not allowed to attend lectures/examinations.

## Evidence of low epidemiological risk

Controls may be carried out after prior notification:

- Vaccinated 3 times (= basic immunisation)
- and/or negative PCR test < 48 h

Without proof, no participation in the lectures and immediate departure from the course room

Make sure you receive the 4<sup>th</sup> vaccination (= booster) in time!

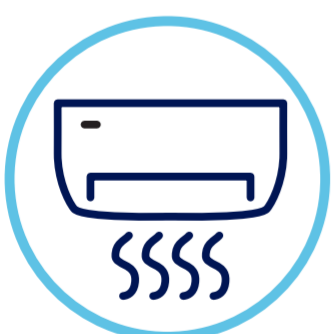

## FFP2 masks

FFP2 masks must be worn throughout the building and during the lectures - and outdoors on the university campus if a distance of two metres is not maintained.

## Hand hygiene

Clean your hands regularly and thoroughly with soap and water and/or use disinfectants.

## Air conditioning/ventilation

This room is equipped with an air conditioning/ventilation system with fresh air supply. When this room is in use, it is essential that the ventilation is in operation!

## Room climate

The room temperature should be max. 22°C, the air humidity ideally between 40 and 60%.
