

DECLARATION OF CONSENT
On the Occasion of the Submission of my Dissertation/Diploma Thesis

Last name:	First name(s):	Tel./E-mail	Registration number:
Title of the dissertation/diploma thesis:			

- 1 I declare that the electronic publication of my dissertation/diploma thesis does not violate any claims or rights of third parties, otherwise I shall indemnify and hold harmless the Medical University of Vienna (MedUni Vienna) and the Austrian National Library (ÖNB). I explicitly reserve the right to publish my dissertation/diploma thesis elsewhere or make it available on the internet.
- 2 I have been informed and herewith agree that MedUni Vienna and ÖNB do not take over any liability for any technical errors whatsoever in the course of the electronic publication and for the unlawful use and distribution of my dissertation/diploma thesis by third parties.
- 3 As the sole holder of all rights to the aforementioned work and of the right of disposition of any enclosed self-created illustrations, photos, graphics, tables, etc., I grant MedUni Vienna the right for an unlimited period of time and free of charge to archive my dissertation/diploma thesis in line with the respective technical standards and make it available to an undetermined group of people online on the internet free of charge and for an unlimited period of time. I am aware that in case of data migration minor changes for technical reasons in the form, size or layout of the work cannot be excluded from the outset, and I do not have any objections in this respect.
- 4 In addition I agree that the University Library of MedUni Vienna shall submit the electronic version of my dissertation/diploma thesis to the Austrian National Library (ÖNB) for long-term archiving and this digital version of my dissertation/diploma thesis which I submitted shall be made available by ÖNB to an undetermined group of people online on the internet free of charge and for an unlimited period of time.
- 5 I hereby attest that my dissertation/diploma thesis is exclusively the product of my own intellectual work. In addition I certify that my dissertation/diploma thesis has been approved by the competent supervisor.
- 6 In addition, I attest that I have clarified in advance any and all copyright and licensing law issues in connection with the electronic distribution of my dissertation/diploma thesis. Insofar as any excerpts and their translation from works by other persons exceed the scope of an academic citation, I have obtained the written consent of the copyright holder for reproduction, translation and distribution within the framework of my dissertation/diploma thesis.
- 7 I acknowledge that the submitted work is examined electronically and technically by using suitable and state-of-the-art methods (plagiarism identification software). This aims to ensure, on the one hand, that the high quality requirements of the effective guidelines at the MedUni Vienna within the framework to guarantee "Good Scientific Practice – Ethics in Science and Research" are observed with the creation of the submitted work. On the other hand, a comparison with other academic final papers avoids infringements of my personal copyright.
- 8 By submitting my dissertation/diploma thesis to ÖNB by way of MedUni Vienna in digital form I am complying with my submission obligation according to § 86 (1) of the 2002 University Act (*Universitätsgesetz, UG*), Federal Legal Gazette (*BGBl.*) I no. 120/2002 as amended. Furthermore I shall not make any use of the right as specified in § 86 (2) (UG) to apply for exclusion from the use of my submitted dissertation/diploma thesis.
